

Full Service Design

Elevate your draft systems and walk-ins with Galaxy Design Group. As partners of BarTrack, we expertly upgrade existing setups & design new systems. Simplify your operations & enhance quality across all locations with our end-to-end solutions.

Services

Draft Beer Systems

We source & handle everything for your draft system: hardware, shipping, installation & execution.

Walk-in Solutions

Reliable walk-in coolers & walk-in freezers tailored for the beverage industry.

Custom Design

Every installation is personalized, enhancing the functionality & style of your space.

Why Choose Us?

- **Competitive Pricing:** Galaxy's nationwide reach allows us to offer the **lowest pricing in the industry**, which helps in the midst of rough times due to inflation and post-pandemic.
- **Ensure Consistency:** With a nationwide presence, we guarantee consistent, high-quality service wherever you operate.
- **Simplify Operations:** From concept to completion, we manage the entire process, freeing you to focus on your business without the hassle of coordinating multiple vendors.
- **Resolve Inefficiencies:** Our expertise in draft systems specifically for breweries & taprooms addresses common issues like inconsistent pour quality & system downtimes.
